Announcements:

Dave Popek - August 21st there will be a District 7600 Membership Seminar held at the Village Bank on Midlothian Turnpike from 9am to 12:30pm. A handout was passed out for anyone wishing to attend.

Please remember to bring your backpacks filled with school supplies to next week's meeting for distribution to the children at Laburnum Elementary School.

Everyone was reminded that there will be a Board of Directors Meeting on Thursday, August 25th at the University Bar & Grill. Everyone is invited.

A sign-up list was passed around for members to indicate if they will be able to help with the hot dog cooking on October 23rd for the ALS Walk. The walk will be held at Brown's Island this year.

Mike Cushnie Notices were made available for those who may not have received theirs via email concerning the payment of annual dues. Dues are to be paid by August 30th.

Program: This morning's program was presented by Carl Miller who is the President of Impact Makers which is a non-stock; competitive social venture led by senior consulting executives, dedicated and prepared to do things differently. Impact Makers competes head-to-head for contracts in the highly competitive professional services consulting world, and wins its fair share based on superior competence and performance. The interesting thing is that this company donates a large portion of their profits to a variety of non-profit organizations. They give back to their community.

There being no further business the meeting was dismissed with the Four Way Test.

Respectfully Submitted,

Michael J Cushnie
Club Secretary
